

Nirvana

The mood is heaven meets earth... the heavenly comfort of luxurious fabrics designed into down-to-earth, realistic styles. Modernism is provided by streamlined shapes. The gentle base colors of Chestnut Brown and Moonstone Grey are jolted by Greenglow and Solarium. Color combinations create magic... the possibilities are endless to produce personal style. Bronze and Silver leather jackets reflect the moon and the stars. Celestial promise provides wardrobing options for blissful days and divine evenings.

▲ The streamlined Silver Leather Jacket over Pinstripe Pants. Chestnut Stretch Flannel is shaped into a sleek and chic jacket and pant.

▼ A cashmere fabrication is striking in the Greenglow Trench Jacket. Solarium glove leather in an easy Shirt Jacket is mixed with Moonstone Gray.

▲ The stunning Metallic Skin Skirt pairs seamlessly with the snappy Chestnut Blazer and Turtle. The luxurious and versatile Cashmere Chestnut Elongated Tabard Dress.

▼ This handsome Tweed Jacket is banded in napa leather for definition and style. A jersey Crew Neck is bordered in Twill Stripe and paired with matching pants.

▲ The smart Officer's Jacket is cut in our perennial favorite luxury denim. Plush Camel Hair and Cashmere in beautiful Chilly Blue.

▼ The Plaid Taffeta Blouse can be belted or sashed for easy elegance. An extraordinary shape in Cranapple Cashmere, the Peplum Turtle moves from day to evening.

Winter Solace

Here is über classicism expressed in sumptuous fabrications. The attitude is casual chic. These are uncomplicated clothes you will want to keep forever. The extraordinary pieces adapt to multiple events and every mood... luxury that can take you to your every destination. Sporty, at times, but later translated with easy elegance for after five. Versatility is created by timeless style... lifestyle dressing to be treasured for a lifetime.

Sixth Sense

Sixth Sense clothes the uptown girl... the feeling is sophisticated, edgy, school-girl all grown up. The air is of affluence. There are rich, saturated colors. Interesting patterns and plaids are futuristic yet retro with updated style. Leather cycle jackets evoke couture runways while bouclés lend timeless luxe. Here are interesting options for daily dressing as well as upscale occasions.

▲ Our Walking Coat travels uptown or downtown with chic. The softest leather in cycle jacket styling is punched with plaid pants.

▼ The beautiful Plaid Jacket is shot with sparkle and trimmed with velvet. A Chenille Lace Skirt is topped with the stunning Tuffeta Coat.

▲ The spectacular Black Open Back Dress. Bronze Metallic Leather Jacket and the Lurex Velvet Skirt shine for evening.
